## Hair loss is more than a cosmetic issue.

- Millions suffer from:
- Excessive daily hair shedding
- Weak hair roots and thinning
- Stress, hormonal imbalance, poor scalp circulation
- Aggressive shampoos that damage the scalp barrier
- → Hair loss starts at the **scalp**, not the ends.

# SAVI GLORIOUS Anti-hair Loss shampoo

A shampoo designed to treat the root cause.

**SAVI GLORIOUS Anti-Hair Loss Shampoo** is a **scalp-focused formula** that:

- Strengthens hair follicles
- Reduces hair fall gradually
- Improves scalp health and circulation
- Prepares the scalp for healthy hair regrowth

# Key Active Ingredient

## Procapil™ Technology

Clinically recognized active that works on 3 levels:

- ✓ Strengthens the hair follicle structure
- ✓ Improves micro-circulation in the scalp
- ✓ Helps reduce hair follicle aging

Result: **Stronger roots & reduced hair fall over time**

# Supporting Actives

Powered by a synergistic blend:

- **Caffeine** – Stimulates scalp circulation
- **Panthenol (Vitamin B5)** – Strengthens and hydrates hair fibers
- **Menthol** – Refreshes the scalp and improves blood flow
- **Aloe Vera Extract** – Soothes and moisturizes the scalp
- **Tea Tree Oil** – Helps maintain a clean, healthy scalp environment

## Hair loss problem

- Hair loss doesn't stop after washing, hair loss may be because of daily exposure to:
- Heat styling
- Pollution
- Dryness & breakage
- Weak strands
- Or even poor care & moisturization
  
- This makes hair more fragile... even if you use a good shampoo.
- Hair needs **continuous care**, not just cleansing.

## Why a Leave-In Matters

- A leave-in is not a styling product. It's **daily treatment**.
- ✓ Stays on the hair longer
- ✓ Protects throughout the day
- ✓ Supports hair strength between washes
- That's where real improvement starts.
